

Richard D Adelman, MD
Family Health Care

Please note that this list is subject to change as each employer has a different contract with each insurance company. Please be sure to confirm with your insurance company that we are currently on their list of providers. Our office makes every effort to provide care within the scope of services covered by your insurance policy and that your tests are performed in the properly designated facility. If you are concerned that your insurance company may not cover services you will receive, please consult your insurance company prior to the date of service. In the event your health insurance plan determines a service to be not covered, you may be responsible for this charge.
